

TRANSFORMING NCLT & NCLAT

A Coalition for Change

PROBLEM

Vacancies and inefficiencies in NCLT/NCLAT are impacting businesses, eroding value, and harming investor confidence.

OUR MISSION

Revolutionize the functioning of these tribunals to ensure swift, transparent, and effective resolutions, driving growth in India's economy.

OUR VISION: REDEFINING JUSTICE FOR BUSINESS

Key Goals

Proactively engage with stakeholders to, deliberate on much-needed measures to resolve existing pain points.

Conduct research, prepare knowledge reports and strategic solutions to enable tribunals to function in a robust, effective, and transparent manner

A robust, effective, and transparent legal process that enhances India's ease of doing business.

COALITION IN ACTION: BUILDING BRIDGES

Step 1

Providing a Platform –
Connecting key players:
lawyers, researchers, and
policymakers.

Step 2

Listening to Stakeholders –
Surveys, interviews, and
roundtable discussions with
frequent tribunal users.

Step 3

Engaging for Reform – Publish reports,
engage with media, and conduct
events to push for systemic changes.

APPROACH TO ENGAGEMENT

Litigants centric approach

Technology as a key infrastructure

Digitisation and automation

Ease of practice for advocates

Accessibility

Minimal asymmetry of information

Transparency

Functional efficiency and specialisation

Institutional autonomy
